

Flo-Tec C.C.S.R.C.

Citrus Cleaning Solution Reduced Corrosion

Super Concentrate

FOR AGRICULTURAL USE ONLY
KEEP OUT OF REACH OF CHILDREN
DANGER PELIGRO

DIRECTIONS FOR USE:

For use in manual or automatic equipment wash stations, utensil dunk stations. Use as a prep cleaner to remove common debris and residue from vehicles, bins and tools. In foam washers, spraying systems or dump tanks dilute 1 gallon of CCSRC with 256 gallons of clean, fresh water or like injection rate into automated spray systems. (1/2 fl.oz / gallon) Often used in conjunction with Canker eradication treatments, Like Flo-Tec's Canker-Solv product. Foam, spray or submerge tools or bins in dilution for a minimum of 15 to 30 seconds.

First use of this product should be on a trial basis until experience has been gained with it and satisfaction with performance is reached. Improper use may cause damage to equipment. In case of a spill or Leak, absorb liquid in vermiculite, chromosorb, sand or any other suitable material. Dispose of according to local regulations.

HANDLING AND STORAGE PRECAUTIONS:

Wash thoroughly after handling. Do not get in eyes, on skin or on clothing. May cause eye and skin irritation
Do not breathe vapor or mist. Can cause respiratory tract irritation Store and use with adequate ventilation.
Store in cool dry place. May cause eye and skin irritation

Manufactured by: FLO-TEC INC. (www.flo-tecinc.com)

This soap is not an EPA registered Product and makes not pesticide claims

Net Contents: ☐ 1 Gallon ☐ 5 Gallons ☐ 30 Gallons ☐ 55 Gallons
